

it makes me understand maths more better i get good marks it is very helpful and exciting to do

They help me to understand some things that I did not understand, They also boost my Confidence And also my Marks get higher even more

I like that when you redo a brain quest, you feel more confident about the next one.

I like that when i have submitted it tells me what i got wrong and ill improve the next time!

1. I like it because it teaches you how to calculate the sums
2. makes me feel more confident about maths
- 3.it makes me feel proud about maths and it gives me hope to be come a doctor

HOW I LEARN AND TO UNDERSTAND MORE.
IT HELPS ME TO KNOW MORE.

I AM THE TOP 1 IN MY CLASS FOR MATHS BECAUSE OF GREENSHOOTS

what I like most about brain quests is that I can rewrite them in order to improve on my test that I did earlier on

It's a good way to in prove your marks. I got a bad mark in maths because I didn't understand the work until I did green shoots and understand my work much better

when i started doing math it was a boring subject now math is my best subject brain quest makes a better understanding for math

that the math is hard but i still try my best and if i do not get something right i still see my mistakes to improve myself

I fell very proud of my self when i am doing maths and i have more confidence to explain to athers when they dont understand

I always feel more confident in the exams . Now I can answer my teacher when she asks a question.

I like maths,I was never that good at maths but ever since doing the maths online, my maths started to improve

It is always get excited to see my score after a quiz . When ever I get a good score I always tell my parents at home and then they reward me for it

I can see what I got wrong then I try again and score higher in the brain quest

that they teach me more so maybe I get that in the same thing in the exam then I know I studied it and I have done it already then I can get a better score thank you brain quests

They help me to understand some things that I did not understand And also my Marks get higher even more

I FEEL VERY CONFIDENT ABOUT MATHS .I TELL MY FAMILY AT HOME.

I like it when we get the chance to restart and look at the scores and if I did not do well I try again and again to get it right I love mco

Sometimes I feel like cant make it. I like Brain Quests because it it makes me smarter and it shows me that maths cant always be hard. I can improve alot.

I enjoy the part that the brain quests challenge me and my limitations they encourage me to do more than I thought was possible . They have changed the way I think and do math sums.

I like brain quest it helps me . Brain quest are fun it helps you think.IT IS sometimes difficult but i can improve.It takes some time to improve but I,ll get there

SEING MY SCORES . NOT WAITING FOR IT TO GET MARKED BY THE EDUCATOR.

brain quests helps you with maths and it makes it fun for you to try even if your bad at maths brain quests helps you its makes learning so much fun
